

## PACER FONDATION FUNDRAISER

**May 1, 2004:** More than 3,000 guests are expected to attend this year's Pacer Foundation Fundraiser, which will be held at the Minneapolis Convention Center and feature a live performance by "Jewel." To support this event and the efforts of Pacer Foundation, RSP Architects has designed and is donating the "Child's Creativity Center" pictured here. While we honor the "inner child" in everyone and celebrate the value of play in all imaginative endeavors, our interior design team selected furnishings, equipment, and art supplies with children ages 3 to 7 in mind. For further details about the fundraiser, visit the Pacer Foundation's Website. If you'd like more details about the Child's Creativity Center before attending the event, please contact Heather Beal at 612.677.7398.
